SKIING AT WILMOT HILLS. Here is a scene taken recently at the Wilmot hills skiing slopes where a packed snow although not deep at this time was slick enough for good skiing. Shown in the left foreground is one of two or three towers on this side of this hill facing the area's buildings in back of the camera. Another ski tow is off to the left of the camera-man. This slope in front of the cameraman is for the less experienced people. One who has taken a spill can be seen about half way up the hill. Lights are turned on at night so sports enthusiasts may ski. Lindenhurst Shop Center Plans Told

LINDENHURST—A standing room only crowd heard Morton Engle, developer of Lindenhurst home sites, outline plans for a shopping center in that village to be completed over the next four or five years.

The crowd had come mostly to discuss with the village board and the village planning commission a proposal to annex about 550 acres of land to the community.

They heard Engle tell of a shopping center to be built in three stages. Each would consist of about 25,000 square feet of space with the second 25,000 to have buildings within 18 months or two years of the first's completion.

The third area of 25,000 square feet would have buildings or be developed otherwise within 10 months to two years after the second.

A Piggly Wiggly store has signed to occupy a large part of the first 25,000 square foot area, with several smaller stores to be included. One of these might be a laundromat, and another a dry cleaning place.

Engle also showed those present a picture of how the shopping center would look when completed.

The shopping area would extend from Lindenhurst drive all the way to the Sand Lake road. A sign in downtown Lindenhurst now marks the spot. Twenty stores eventually would be included.

Village board president Robert Randall said the majority of those attending the planning board-village

board meeting Tuesday night favored the annexation proposal.

The two boards answered questions from those attending after they had answered points brought up in a bulletin sent out this week, Randall said.

A recommendation from the village planning board on the matter will be presented at the monthly meeting of the village trustees next Tuesday evening in the village hall.

The area to be taken in would have room for about 1,000 more homes to be built over a period of several years. It is located on both sides of the Beck road as far as 1,000 yards north of Loon Lake road.

Art Lessons Slated Here

Mrs. Jacqueline Horton, local artist, will give a series of lessons at Antioch Art Guild meetings in the basement of the local Methodist church on Jan. 7 and 21 and on Feb. 4.

The first one this week Thursday evening at 7:30 will be titled "Fun With Paints."

Mrs. Horton has had several "one-man" art shows and took best of show at the local Art Guild exhibit last fall.

Anyone interested in the lessons, man or woman, will be welcome.

Dun, Bradstreet Lists Antioch Among Top Four

Statistics released this week by J. W. Hight, district manager of the Chicago office of Dun & Bradstreet, Inc., reflect the growth of the business population in Antioch, Fox Lake and Lake county communities in the last year.

Antioch showed the largest percentage increase in the 12 months with 13 per cent as compared to 11 per cent each for Highland Park, Zion and Deerfield. Fox Lake had 0.8 per cent, Round Lake 6 per cent and Grayslake a decline.

Reference book listings by this nationwide concern in January 1960 in Antioch totaled 245 as compared to 216 in 1959.

Fox Lake listed 130 in 1960 as compared to 129 a year ago, Round Lake 131 and 123, Grayslake 127 and 130 (the only decrease noted in Lake county), Waukegan 994 and 988, Libertyville 246 and 228.

Only Waukegan, Highland Park and Libertyville had more reference book listings either in 1959 or 1960 than did Antioch in Lake county.

Lake county as a whole totaled 3806 manufacturers, wholesalers and retailers in 1960 as compared to 3421 in January 1959, or a 5.4 per cent increase.

Dun & Bradstreet's reference book lists all manufacturers, retailers and wholesalers who seek or grant commercial credit.

March Vote To Select A Trustee

A special election will be held in the village of Antioch on Tuesday, March 1, to name a successor to Frank J. Appleby, village trustee. It was decided at a meeting of the board of trustees Tuesday night.

Appleby's place on the board was declared vacant as he has "ceased to be an inhabitant of the village of Antioch for which he was elected."

Trustees said that Appleby had moved out of town. An auction sale last fall sold equipment, TV sets, radios and the like in a shop he had operated on South Main St., Antioch.

There was a little discussion at first that a trustee be appointed to fill out the unexpired term of Appleby but board members decided it would be better to call an election.

Twenty-five names will be needed on a petition for nomination, which would be filed with the village clerk in Antioch.

The man or woman elected March 1 would serve until May 1963.

Balloting will take place in the village hall between the hours of 6 a. m. and 6 p. m.

Christmas Decoration Contest Pix Printed

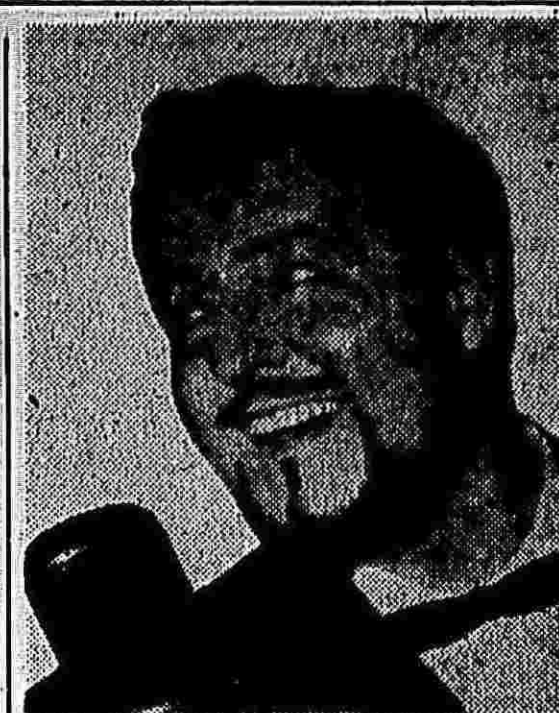

Pictures of second and third place winners in the Antioch Moose lodge's home Christmas decorations contest will be found on page 6 of this week's Antioch News. These were crowded out of last week's paper.

Second place went to the home of Mr. and Mrs. Lewis Van Winkle on Naber Ave., Antioch, and third spot was awarded the Walker Lyons home on Windsor drive, Antioch. The Leo Fox home off Deep Lake road took first.

Census to Start

Several women were to start out this week to take a census of Channel Lake school district to find out the probable school enrollment over the next six years and the number of voters in the district.

This census is being taken at the request of the Channel Lake school district board.

Vic Perry

C of C Plans Ladies Night For Saturday

Vic Perry, who is called "The Prince of Thieves," will be the principal speaker and provide the entertainment when the Antioch chamber of commerce dines at Smart's Country House near town Saturday evening, Jan. 9.

Reservations for the dinner scheduled at 7:30 should be made soon by calling Antioch 1158 or Antioch 1229, secretary Betty Meyer said.

This will be the annual "Ladies Night" of the chamber and wives and girls friends of members and other guests will be especially welcomed. Dancing to Art Smejkal's band will conclude the evening.

Perry has given a royal command performance at Windsor Castle, England; performed at the Savoy Hotel and Cafe de Paris in London, at the La Moulin Rouge in Paris, and on several TV shows, including "What's My Line," and the "Steve Allen Show," "Arthur Godfrey and Friends," and "Robert Q. Lewis," shows.

A brochure about Perry calls him the "prince of thieves" who has proved himself king of them all.

He has performed in 28 different countries and in eight different languages.

The entertainer has received compliments on his performances from such people as Prince Bernard, Sir Winston Churchill, Queen Elizabeth II, the president of the United States, Admiral Nimitz, King Farouk and others.

Village Asked to Sell Land for a Site Near 'Soo'

A plan to construct a 50-by-100 foot building on village owned land east of the Soo Line tracks in Antioch was revealed by Frostee-Sno of this community to the village board at its monthly meeting Tuesday night.

Everett Ottedahl of the firm told the trustees that the company must move from its present site on Main St., Antioch, by March 15, 1960.

The company proposed to erect the building on lot 4 on the east side of Anita avenue. This property measures 270-by-126 foot or about one acre in area.

He said it would be so constructed that additions could be put on it and when needed. The initial cost of the building was estimated at \$14,000.

Ottedahl told the board the firm now has a yearly payroll of about \$12,000 exclusive of those in the family. Another \$12,000 payroll would be added if the new building goes up.

Special Meet Of Hospital Ass'n Dated

A special meeting of the Country-side Hospital association will be held at 7:30 p.m. Tuesday, Jan. 12, in the Lake Villa grade school to discuss and perhaps pass on several by-laws changes, officers said this week.

One of these would be an anti-subversion oath, while another would define various additional membership classifications such as "booster," "affiliated," "company," "honorary" and "life."

It also has been proposed that a women's auxiliary be established and a \$500 limit is set on expenditures unless authorized by a combined meeting of the board of directors and delegates.

Another suggestion is that eventually three members will be elected from each of the townships, Antioch, Avon, Grant and Lake Villa, and three more from outlying districts.

Whether to hire a professional hospital consultant now to prepare a survey of the needs and resources probably will be discussed. Some association leaders have suggested a lay study of similar hospital projects nearby first.

School Buses Come and School Buses Go ---

Local Cagers, Pupils Do It the 'Hard Way'

By Henry Green, Editor

About 2½ years ago in an Eastern Washington state town, the rural fire chief invited me to respond with him to the "next fire" with the idea perhaps I could write a feature news story about it.

That worked out better from a newspaperman's standpoint than I had expected for as it turned out it was one of the worst fires the rural department battled that summer.

The writer had somewhat the same experience last week Wednesday evening when at the invitation of coach Larry Leon of the Antioch Sequoias he rode on the same bus as the basketball squad going to and from Bensenville.

We not only "went along for the ride" but we also took part in some extra-curricular activities that were definitely not planned.

Two school buses made the trip to the finals of the Fenton high school cage tourney at Bensenville that evening in which the Sequoias were to meet Prospect for the tournament championship in the evening's final contest.

ONE OF THE vehicles driven by Ron Olson carried the basketball squad, coaches, managers and a couple or so of others.

The other took along the school's cheerleaders and many other young people who went to cheer the ATHS along to what they all hoped would be victory. Art Anderson was the driver of this school bus.

Things just didn't go right for the basketball squad bus right from the beginning of things, although there was little indication if any then that things would go as they did after midnight.

In the first place, one of the players did not show up and the bus waited 10 minutes later than

planned to be sure it didn't miss him.

Then traveling along highway 173 toward the tollway, the road was so slippery the driver had to run slower than usual to avoid an accident. With the result the bus was later reaching Bensenville than was planned.

AND AT THE same time the bus's engine was not functioning properly when we left Antioch high school.

What happened to the Sequoia basketball team at Bensenville that evening against an all-junior team from Prospect high shouldn't have happened to a dog, as the saying goes. Antioch lost 73-49 in a rather one-sided contest.

The defeat broke a nine-game winning streak for the local cagers and put them out of the undefeated class for the 1959-60 season.

After dressing and recuperating a bit, the players and coaches moved to a Bensenville restaurant for a big dinner, ordered in advance. The boys and their coaches alike each "put away" a big meal.

Leaving that community about 12:15 Thursday morning on the same school bus, we had gone but a comparatively few miles north on the tollway when we noticed the "spectators' bus alongside the road

with a patrol car nearby.

DRIVER ANDERSON said his battery was dead or something similar for there were no lights showing and the vehicle would not start.

The player bus picked up all the girls on the other bus plus a youth or two and continued on its way for another mile or two before it too broke down.

Or rather one should say that the radiator heated up so badly it was thought best to stop—and so it too pulled off to the side of the road, (continued on page 4)

Savings Ass'n Future Eyed

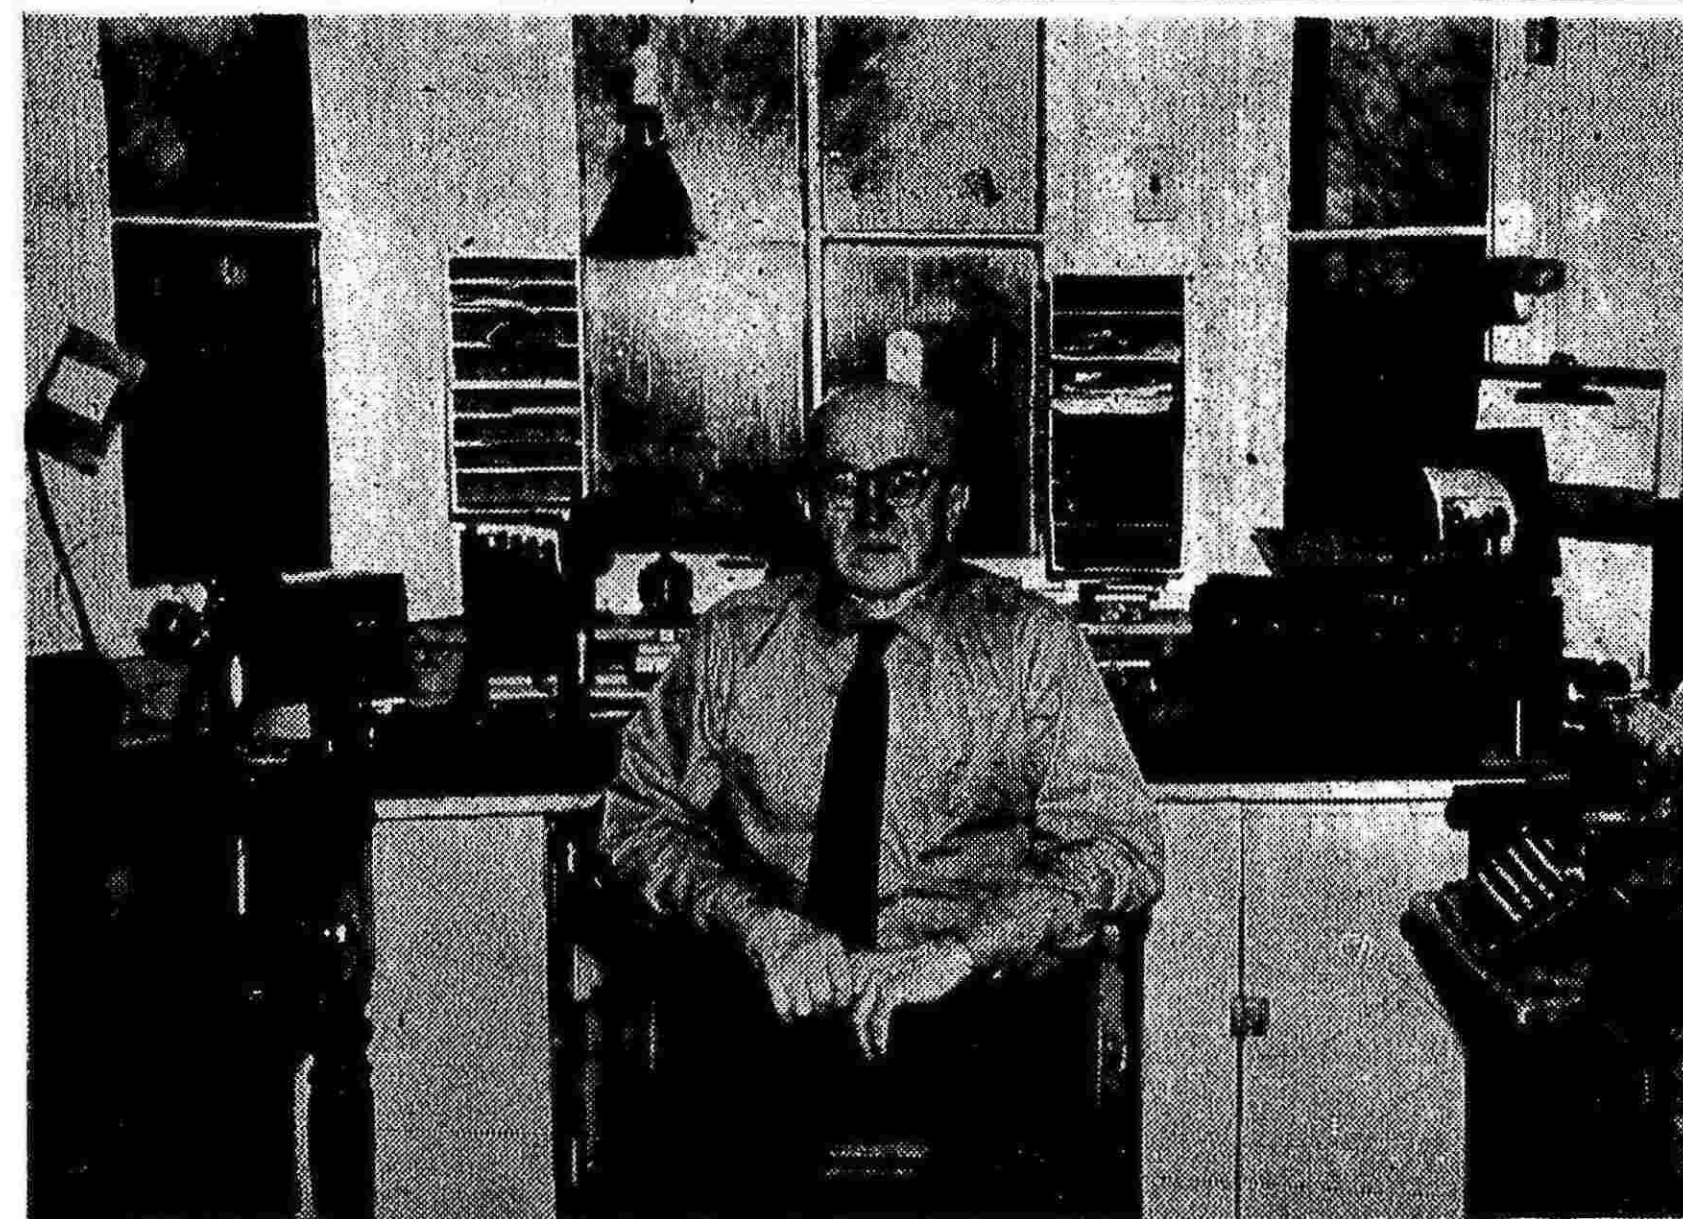

Permission has been granted a group of Antioch businessmen to organize a savings and loan association in this community but no charter will be issued for it until certain Illinois state requirements are met.

That was the report this week of backers of the association who were to meet Wednesday evening to discuss association matters further.

State requirements on deposits and capital stock must be met before a charter is granted by the state.

Backers here said the association would not be open for business until federal insurance on deposits is received.

Subscriptions to the savings and loan association will be asked soon, backers indicated.

To Skate or Not to Skate

Village, fire department, and some club leaders have been objects of some criticism from parents and children because as the latter put it, "there is no good place to skate in Antioch."

True, they point out, there is some done at Lake Antioch and probably many go to the other lakes nearby when the ice is safe, but there is no place close to downtown Antioch for skating—either ice or roller.

Twin Lakes, Wis., McHenry and other places some distance away attract roller skaters all seasons of the year. It has been pointed out that several persons have tried a roller skating rink in Antioch on a commercial basis but that none of them has "paid off" financially.

Those criticizing Lake Antioch as an ice skating spot point out that persons using the lighted place on its shores must cross private property to reach the scene.

One solution suggested by several local residents is leveling the necessary land and then "blacktopping" it so water will not soak through the soil into the ground when water is put on for freezing.

Proponents point out that such a "blacktop" could be used in the summer, spring and fall, or for that matter anytime when ice wasn't covering it, as a rollerskating rink if the land leveling and blacktopping is done right. Lights that might be erected for ice skating probably could be used also for rollerskating enthusiasts.

The ice hockey rink down in the flats section east of the Soo Line tracks has not been flooded for ice skating this winter because a plan to blacktop its area was never done. The necessary land leveling was never started so that the blacktopping could be put on.

Those in favor of a skating rink have suggested several spots near the center of Antioch, including the Little League field and the village parking lot, or the ice hockey rink site east of the Soo line tracks.

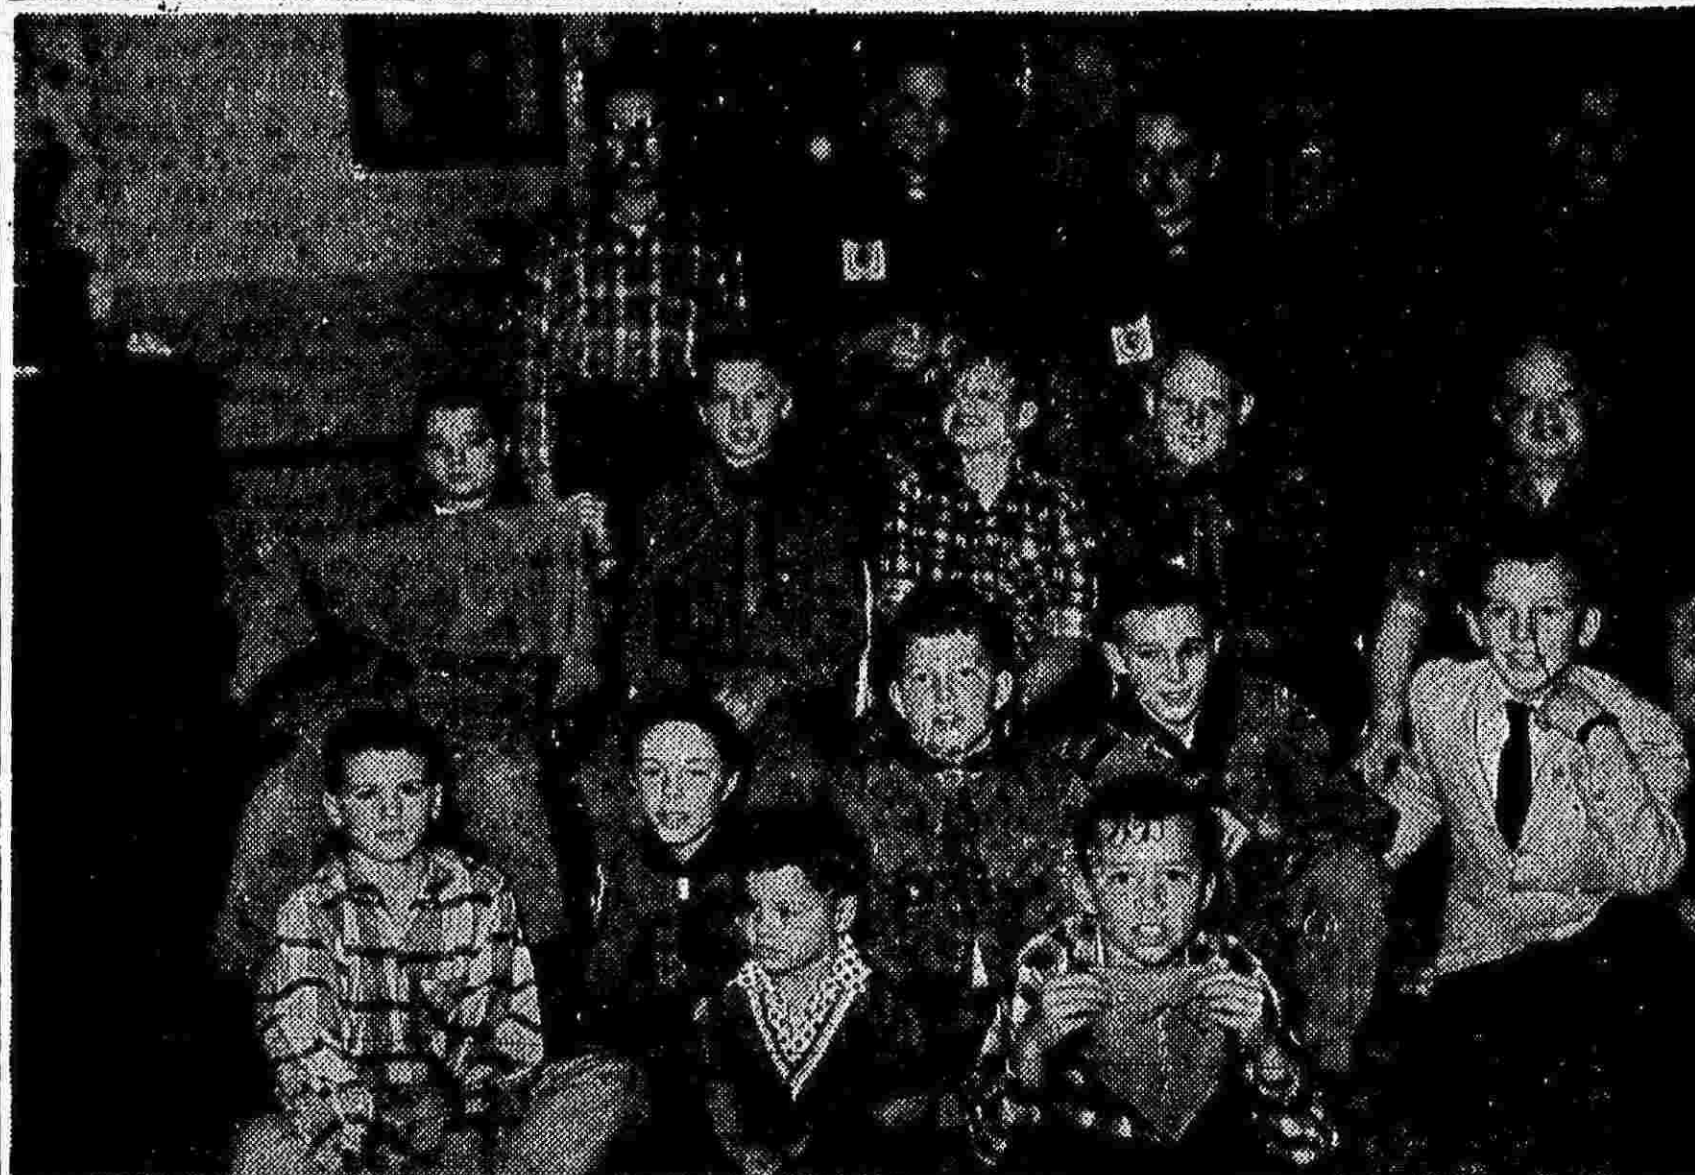

The village has indicated its crews would level the land and when blacktopping equipment hired by the village is in town, it would be used to put asphalt on the smoothed out area. Such machinery was in the village last fall to blacktop some of the community's streets.

Cost of this work, including the blacktop—around \$700, it has been estimated unofficially.

The village had some money last fall for the project but whether there is enough available now to bring in a blacktop crew is questionable. It would cost more to bring in such a crew just for this single job than it would have last fall when the crew already was here.

But if it is too late to do it this winter, perhaps the village will be doing some road work next spring or summer and a skating rink could be built. The sides of the rink would be raised several inches so that water poured into the area would not run off.

The ice does not have to be more than a few inches thick on such a site whereas on a lake it should be more than that as a safe protection.

BOY SCOUTS of troop 91 in Antioch as they recently enjoyed a Christmas party at the American Legion hall with their parents, friends, brothers and sisters. Presentation of gifts, refreshments and playing of games were among the highlights. Kenneth Sheldon is scoutmaster with Leo Ipsen as assistant scoutmaster. DEAR EDITOR Your Letters

Dear Editor:

An open letter to all Northwest Lake County residents:

A hospital in this area will be accomplished in accordance with the enthusiasm shown by the organization and residents living within the area.

It will be necessary for all to realize this is their project and not limited to any small group.

The big question is how urgent will the need be before we all join hands.

At this writing most of us in the area haven't experienced the need to be concerned. However, the urgent need may come unexpectedly.

The question then will be how close are we as a community to supplying our needs. Growth of population has a way of creating problems for a community.

A number of organizations in the area are already planning ways of raising money for the hospital fund. When will your organization enlist in this worthy project?

The accomplishment of this project will be realized only with the enthusiasm shown by its memberships. Will it be 2 or 10 years?

Will we have to be hurt before we are willing to join together?

We have just been reviewing a

blue print for growth by one of our area hospitals. They plan to increase their capacity from 50 to an eventual capacity of 170 patient beds.

In reading their brochure, we note

they have indicated they will continue to serve people outside their incorporated areas.

However, they will welcome the development of another hospital in the Northwest part of Lake county.

Hospital boards recognize the need. Let's be prepared.

Area Cars Collide

A state highway truck being operated by Robert Poser, 59, of route 3, Antioch, was in collision with a car being driven by a Lake Villa resident, Harold Mattes of route 2, recently on Grand Avenue near the Tollway.

Mattes was given a ticket for driving on an expired driver's license. The snowplow on the state highway truck was damaged.

Linda Sanders, Ronald Gaa Wed Recently

Linda Jean Sanders of Deep Lake, Lake Villa, and Ronald David Gaa of Sibley drive, Antioch, were married in a double ring ceremony at the Antioch Methodist church Saturday afternoon, Jan. 2.

The bride is a daughter of Mr. and Mrs. Ralph Sanders of Deep Lake, Lake Villa, and the bridegroom is a son of Mr. and Mrs. John Gaa of Lake Catherine, Antioch.

Rev. Wallace Anderson, pastor of the local church, officiated.

Given in marriage by her father, the bride wore a beige, brocaded dress with a three-quarter length coat and a short beige veil. The bride's flowers consisted of roses and carnations.

Matron of honor was Mrs. Virginia Henry and Kenneth Mattson was best man. Usher for the ceremony was Larry Chittoms.

The matron of honor was gowned in a blue satin dress with three-quarter length matching coat and her flowers consisted of pink carnations.

A reception for the couple, friends and relatives was held at the Wing and Fin Country club.

They will make their home on Sibley drive, Antioch.

Rainbow Assembly Election Slated

The Antioch Assembly, Order of Rainbow for Girls, will meet on Monday, Jan. 11, at 7:30 p. m. Election of officers will be held.

Joan Wagner and her committee will serve refreshments. Dee Stillson, the worthy advisor-elect, will announce her officers for her term.

Dee Stillson's installation will be held on Saturday, Jan. 23, at Wesley hall at 7:30 p. m.

Slides Enjoyed At Society Meet

Over 50 members attended the January meeting of St. Peter's Altar and Rosary society Monday evening as Mrs. Charles Solar was installed as the new president.

Mrs. Robert Berg was the installing officer and along with Mrs. Solar, seated Mrs. Jerome Vogler as vice-president, Mrs. Henry Apostol, secretary, and Mrs. Donald Gaa, treasurer.

After the showing of films of the dedication of St. Peter's convent, Mrs. Roy Hyre described her slides of Ireland, which included Shannon Airport, Lakes of Killarney, Trinity College and some of the famous castles.

Her English slides were of Westminster Abbey, Tower of London, Windsor Castle, Buckingham Palace, Big Ben, changing of the guards and many of the beautiful gardens.

Interiors of St. Paul's Cathedral were especially colored.

Hostesses for the evening were Mrs. Roger Gilday and Mesdames Edward Sletten, Peter Kisel, Edward Jacobs, Marcel Kulp, Edward Cranley and Rudy Eckert.

Girl Scout Troop 52 Reports on Events

Next meeting of Girl Scout troops 5 and 52 will be held after school at St. Peter's church, Antioch, on Tuesday, Jan. 12.

Sixty-seven girls were invested into St. Peter's Girl Scout and Brownie troops on Dec. 13, thus forming a new Girl Scout troop 52.

The busy month of December was climaxed by a Girl Scout program at the Christmas party for St. Peter's school held on Dec. 22. Girls made paper wreaths for Christmas decorations and the Brownies sent 122 tray favors and scrapbooks to the Children's Memorial hospital in Chicago.

Antioch Couple Report on African Trip, Places Seen, People, Events

(Mr. and Mrs. Corwin J. Bennett, proprietors of the Antioch Dairy Queen drive-in, are touring South Africa by most every means one can imagine and seeing many places viewed only by explorers.

(The following is a kind of diary kept by the couple during their trip that was to conclude Dec. 22 when according to a note received from them by the Antioch News, when they boarded a boat at Port Said. The Antioch News is publishing this as it was received here).

OCT. 23—We boarded the S. S. African Lightning in N. Y. C. at 3 p. m. Sailed at midnight past the Statue of Liberty, beautifully lighted. Our ship carries a cargo of Canadian apples, American periodicals, 3 G. E. diesel locomotives, many John Deere machines in wooden crates, and a pickup truck with the address of a Baptist mission painted on the door.

OCT. 24, 25, 26—Rainy, stormy and rough but not cold.

NOV. 1—We are half way to Cape Town.

NOV. 2—We crossed the equator. There was no ceremony as everyone had crossed before, some many times.

NOV. 8—We saw our first albatross. It looks like a large sea gull. We have passed just one freighter and two islands (Ascension and St. Helena) since leaving N. Y.

NOV. 10—Landed in Cape Town, 6,770 miles from N. Y. The day was beautiful and clear. We could see the harbor and city with Table Mt. and Lion's Head in the background. Fluffy white clouds made the "cloth" for the "table."

NOV. 11—In Cape Town we stopped at the Mount Nelson Hotel. A cable car, which only runs on clear, windless days, took us to the top of Table Mt. for a fine view of the city, harbor, and surrounding countryside. We rented a car and drove along the coast and inland for a day of sightseeing.

NOV. 12—To Johannesburg by B. O. A. C. Breakfast on the plane consisted of liver with bacon and onions, scrambled eggs, tomato, scones, marmalade, and very strong tea. We rented a car and started immediately for Kruger National Park about 250 miles away. Almost ran out of gas. Filled up the Austin with 7 gal. We had averaged 31.2 m. p. gal. going 60 m.p.h. all the way. Stopped for the night at Bushman's Rock just outside the park.

Out here in the middle of nowhere we were the only guests at the hotel but Corwin had to wear coat and tie to dinner and coffee was served after the meal in the lounge.

NOV. 13—On into the park. We took a cabin at Pretoriuskop rest camp. It is clean and comfortable. There is a restaurant at each rest camp, so we don't have to worry about food and meals, although many people do their own cooking.

NOV. 13 and 14—We drove to Skukuza rest camp for lunch and to see game along the way. Back to Pretoriuskop in the afternoon along a different route watching for game as we go along. There was much game to be seen Friday, but Saturday there were many people out on the weekend and we saw fewer animals. There were hundreds of baboons along the way. Once when we stopped, one old fellow jumped up onto the hood of the car and peered in at us. We sure closed the windows in a hurry. He wouldn't get off until I opened the window just enough to throw some candy to the road. He jumped off to get his little treat. Other people report giving him a ride for a mile or two.

We don't know the names of the animals, but we saw many species of deer and antelope, all beautiful, as well as monkeys, giraffe, zebra and hippo. They are all, except the hippo, beautiful creatures.

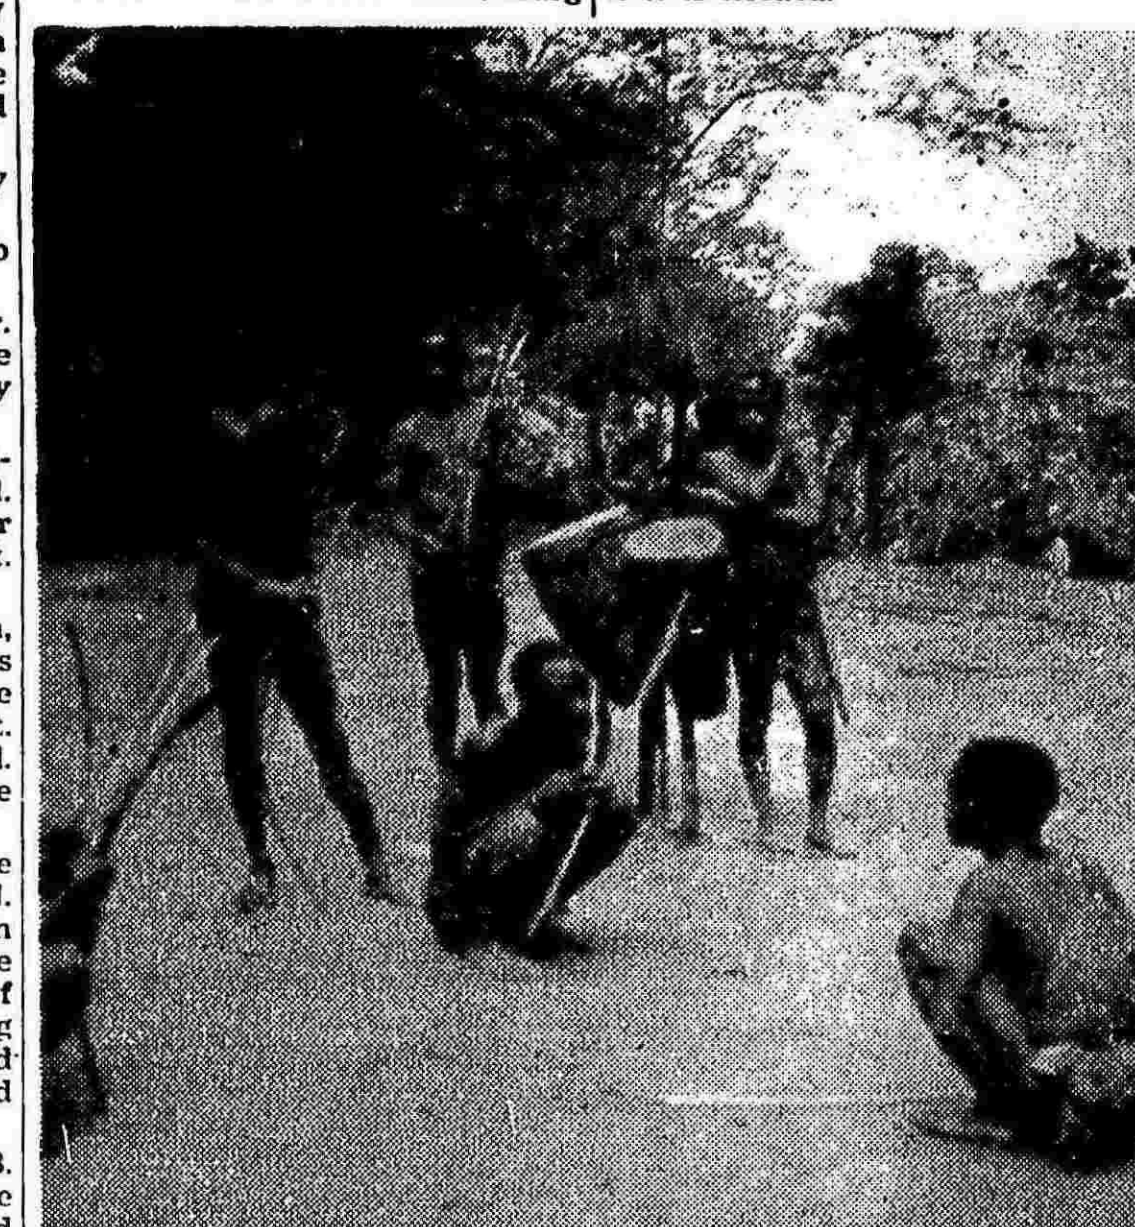

Even here in the camp restaurant

the table is set with 10 pieces of silver at each place.

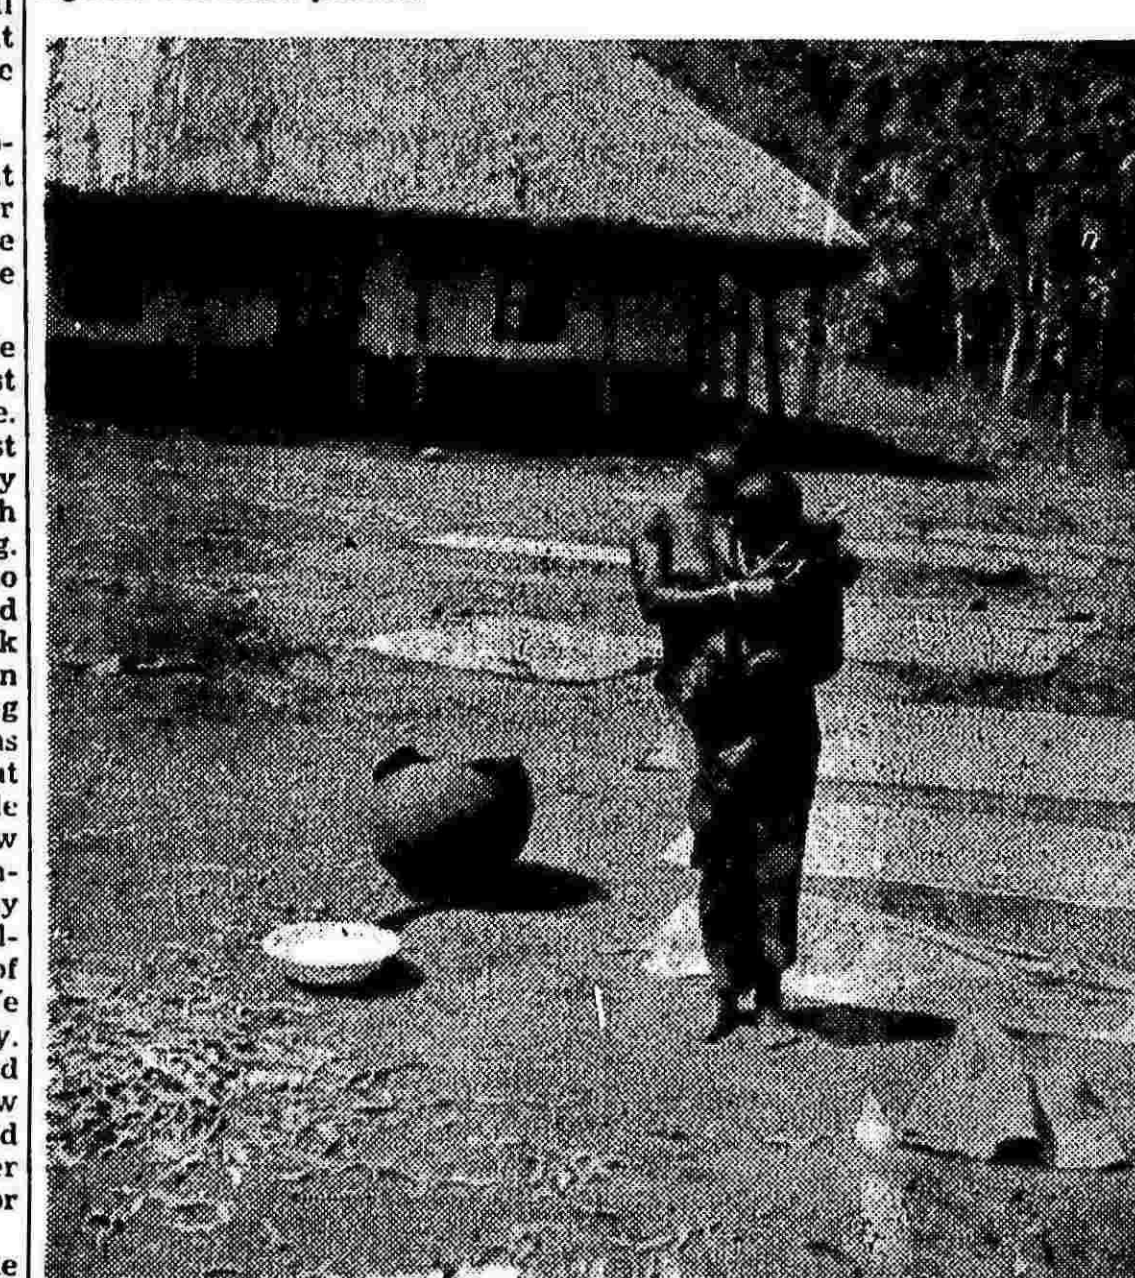

NOV. 15—After an early morning drive to see game we drove back to Johannesburg. The countryside is lovely, foothills with mountains in the distance. In the valleys we see citrus fruits and bananas in good sized groves, also trees planted in groves and cut for poles and posts. Weather is beautiful. Just warm enough to drive without sweaters. Most of the land only suited to grazing. Natives live in huts with thatched or tin roofs.

Driving on the left side of the road, with gear shift on the left, and 4 speeds ahead, continues to be confusing but we made it without any trouble.

NOV. 16—We flew from Joburg

PYGMIES in the Belgian Congo of Africa are shown in this photograph taken by Mr. and Mrs. Corwin J. Bennett of Antioch during their tour by every imaginable means of parts of that continent. These natives, the Bennetts wrote the Antioch News, are about ready to start a dance. Huts in which they live are shown in the background. The Bennetts left last fall by boat and were to leave Port Said by boat on Dec. 22. A diary of their trip will be published by the Antioch News together with other pictures.

COFFEE DRYING on the ground is shown in this photograph of a native woman and her baby taken by Mr. and Mrs. Corwin J. Bennett of Antioch during their tour of parts of the continent of Africa. The Bennetts left last October by boat and were to sail from Port Said on Dec. 22. Other pictures they took and a diary of their trip will be published by the Antioch News.

Village Asked to...

(continued from page 1)
IT WOULD BE a steel-type building with windows on several sides and would not look like a warehouse. It also would have skylights in the roof.

A committee of the village trustees will meet with Ottedahl to talk over the matter and recommend to the full board.

The \$14,000 estimate for the structure did not include utilities, heat, plumbing, partitions and the like. It would cover construction of four walls and a floor.

In other business, the trustees voted to pay about \$1,100 for fixing up the scout house in addition to nearly \$6,000 paid out by the fire insurance company. A more modern looking interior has resulted.

Everett Kincaid & Associates has submitted a new proposal to do professional planning work for Antioch as a cost of \$6,500. The village would pay about half that cost and the federal government the rest.

IT IS NOW up to the village board to select a village planning commission of 7 to 11 members, which would meet with the professional man. Zoning, future work to be done, plumbing codes and the like would be set up.

John L. Horan, civil defense director for the village, received a vote of confidence and appreciation for his work. He told the trustees more personnel are needed in civil defense.

Among such personnel he listed auxiliary police, people for nurses training, for food stockpiling, for taking care of refugees and the like.

Residents of Larson court requested a street light and this was taken under advisement. This street is located off Ida avenue.

Street work to cost about \$22,900 was told although the exact work and what it would cover were not outlined in detail.

to Bulawayo to Livingstone. Then by car to the worst motel ever. We stayed about 15 minutes and called a cab to take us to the Victoria Falls Hotel. Very nice. There are screens on the windows and mosquito netting to drape over the beds if it is needed.

Community Club Of Central Hi To Meet Soon

By Miss Frances Murphy

Central High School Reporter
SALEM, Wis.—The Salem Central High Community club which will meet on Monday, Jan. 18, at 8 p. m., extends an invitation to members of the community, and to parents in particular, to attend.

Members and guests will have an opportunity to question a panel of teachers on school affairs.

Questions will be submitted in writing before the meeting begins. Last year this discussion proved so interesting and helpful that a repeat performance was requested.

John Daily, school guidance director will be moderator, assisted by a panel of four: John Fisher, Joseph Ferraro, Mrs. L. Lou Terry and Enoch Brice.

These panel members represent various departments of education in the school.

All members of the community are invited to attend this meeting and to participate in the program. Refreshments will be served by the Community club.

Local Cagers.....

(continued from page 1)
the motor's hood raised and we waited for help.

It was some time in coming.

A PATROL CAR going in the opposite direction finally stopped and the driver said he would have a tow car sent along—A tow car did come—but it passed us up and went on without even slowing down—apparently to aid someone up ahead.

When the truck did finally arrive—and it must have been at least 2 a. m. by then—it had no water for the school bus radiator to replace that which "exploded" out when the radiator cap was removed.

The tow truck driver explained it was too cold to keep water on the truck all the time and it had to go 9 miles or so up the road to get some water. So we waited a bit longer.

After what seemed like hours and hours the truck returned, the radiator filled and we were off for Antioch once again.

This time we made it without trouble, arriving around 3:30 a. m.

4-H Leaders Plan Safety Drive in Co.

Lake county's 4-H club leaders will make an all-out effort to have every club member actively participating in the 4-H club safety program in 1960.

The 4-H safety program was outlined by farm adviser Ray T. Nicholas at a meeting of the agricultural 4-H club leaders.

The farm adviser pointed out that the 4-H club safety activity places emphasis on fire prevention in the home and in the barn and other buildings.

In the accident prevention phase emphasis is placed on preventing accidents in the home, around the farm and buildings, and on the highways.

Every 4-H club member will be provided with an accident prevention manual and record book entitled "Hazard Hunt."

This book includes a check list on which members will indicate fire and accident hazards found around the home, in farm buildings and yards, in connection with livestock, on tractors and machinery and on cars and trucks.

In each case where a hazard is located the member will attach a special hazard reminder card which will remain until the hazard is corrected.

At the end of the club year the member will go over the check list again and indicate the hazards which have been eliminated.

The same procedure will be followed in connection with the fire prevention. Club members will use their check list in indicating fire hazards found in the heating system, electrical system, and in the barn, garage, and other buildings.

Jan. 15 Is Deadline For Farmer Returns

Farmers have until Friday, Jan. 15, to file their estimated federal income tax return for the year 1959, unless they plan to file their final return on or before Feb. 15.

Harold R. All, director of internal revenue for the Chicago district reminded people of it this week.

Farmers who have any questions on this subject may get a copy of the official publication, "Farmers Tax Guide," by calling the local Internal Revenue Service office, or writing to Tax Forms, P. O. Box 743, Chicago 90, Ill.

Public Hearing Set On Rezoning Appeal

A public hearing on the petition of Edward G. Walters to rezone his property at the outlet of the Fox river in Grass Lake from F (farming) to B-2 (business) will be held in the Antioch village hall Thursday, Jan. 14.

The area known to many as Barney Island has been used for 75 years as a tavern and restaurant, Walters reported. His petition asks classification clarification.

He said he hoped to make improvements but is reluctant to do so under present classification.

Stable Prices For Food Seen By A&P Head

NEW YORK—Food prices should be stable in 1960 and help hold inflation in check, according to Ralph W. Burger, president and board chairman of the Great Atlantic & Pacific Tea Company, Inc.

Abundant food supplies will continue into the new year, said Burger, "and there is strong evidence that consumer prices will be similar to our slightly below the low levels reached during 1959."

The nation's leading food retailer also foresees an industry wide leveling off in new store openings and oversized stores in many areas which are already overstocked, and the trend of the past decade toward the stocking of more and more non food items.

And he said he expects the pulling power of promotional sales gimmicks and giveaways to decline.

"I believe the industry has just about reached the saturation point in construction of store units in certain areas," he observed.

Grade School Band Parents Group Dates Spring Project for May 14

May 14 was the date set for the Antioch grade school annual spring band project. A committee consisting of Otto Hanke as chairman, and Mesdames Laddie Masek, J. Bruski, E. Edwards, R. Jonas, and W. Gillum was appointed to decide on the theme and the plans for the project.

Twenty-three parents attended the Grade School Parents association meeting Tuesday evening held in the grade school cafeteria.

George Olsar gave an informative talk on the "instrumentation" of a band. A band consists of four sections: String, woodwinds, brass and percussion instruments.

He explained the reason for the number and kind of instruments.

There are 77 members in the senior band. The prep, junior and senior bands have a total of 120 members.

The association voted to purchase an alto clarinet for the band.

A report was given by Otto Hanke on the birthday calendars. There are calendars available if anyone would like to purchase them.

The district solo and ensemble contest will be held in Skokie on March 5. Senior band contest will be held in Gurnee, March 26.

The state band contest will be in Ashton, Ill., on April 22 or 23.

There will be a Roller Skating party at Twin Lakes on Thursday, Jan. 14.

The next band association meeting will be Tuesday, Feb. 2.

LV Seeks Site To Build Plant

LAKE VILLA—An ordinance providing for annexation of 10 acres on which the Lake Villa sewage disposal plant is located will be drawn up by village attorney Bernard J. Juron as the result of action by the village board.

The site is adjacent to Cedar Lake park on the west side of the village. The park previously had been annexed to the village.

Former village clerk Carl W. Reinebach told the village board at its meeting Monday night that citizens are paying more than their share of the sewer and water costs.

He objected to reduced rates for big users, but was told that such rates are customary.

Reinebach contended his payment of three minimum charges for three tenants in one building was out of line with the Lake Villa grade school which is used by many persons.

Warren Wright Is a Candidate For US Senate

SPRINGFIELD—A finish fight to cut government spending and reduce taxes was promised here this week by former State Treasurer Warren Wright as part of his campaign for the U. S. Senate seat now held by Paul Douglas (Dem.) of Chicago.

Wright formally announced to the press his candidacy for the Republican nomination for senator in the primary election to be held April 12.

His petitions have been mailed to Republican friends throughout Illinois, he said.

"I share the indignation and outraged feelings of Illinois people who are being crushed by taxes to support a top heavy federal bureaucracy with its schemes of irresponsible spending both in this country and abroad," Wright declared.

"I want to help squeeze the waste and water out of foreign aid," he said. "I want to help the taxpayer get rid of costly projects we no need and are putting fat on the backs of their bureaucratic inventors."

"Especially I want to help Illinois get rid of a Democratic senator who mouths economy at state political rallies and then goes back to Washington to vote for more spending projects than he opposes."

Wright quoted from a recent Congressional Quarterly report on the economy voting records of senators and representatives.

"The report states," said Wright, "that Sen. Douglas voted to limit federal spending on 34 per cent of the test votes of 1959."

"He voted against such limits on 62 per cent of the votes. By contrast, Sen. Everett Dirksen, Republican, voted 63 per cent for economy measures and 29 per cent in opposition."

"The difference in the records of these two senators sharply distinguishes Republicans as savers from Democrats as spenders," Wright charged.

"The same report showed that when it came to economy measures Democrats voted to limit spending 19 per cent of the time and Republicans 57 per cent."

Decline in Insurance Premiums Announced

SPRINGFIELD—Reductions ranging from 20 to 30 per cent in insurance premiums applicable to a new revised homeowners policy program were announced this week.

The reductions depend on the type of construction, class of protection and amount of insurance in each individual case.

The homeowner policy program is a "package" program covering the home, contents, personal liability on or away from the premises (including on premises medical payments for persons other than the insured or his family and voluntary property damage), glass breakage, and theft on or away from the premises.

Pinochle Club At Channel Lake Enjoys Dinner

By Mrs. Pearl Kapell
Channel Lake Correspondent
CHANNEL LAKE—The Couples Pinochle club met at the home of Mr. and Mrs. Robert Hess on Jan. 1. The hostess served the club's traditional New Year's Day dinner—sauerkraut and spareribs and dumplings.

Mrs. Hennig informs me that tradition has it that if you serve this dish on New Year's day, you'll never be "broke" for the rest of the year.

Think it's worth trying? Something tells me this legend started back when spareribs were considerably cheaper than they are now.

Those attending the dinner were Mr. and Mrs. Harry Weiss, Mr. and Mrs. William Frey, Mr. and Mrs. Frank Hennig, Mrs. Lois Liess, and a guest from Chicago, Mrs. Francis Michaels and Mr. and Mrs. Clarence Spiering.

Happy birthday to Pat Runyard who celebrated his fifth birthday on Jan. 3.

Mr. and Mrs. James Morton (she is the former Jerry Schroeder) and their five children spent the New Year's weekend at the home of Mr. and Mrs. Donald Bjork.

Joan Bjork was hostess to several of her young friends at a party on her birthday Jan. 1. Those present were Jeannie and Danny Dowell, Joellyn Rozinski and Charlotte Bolton. The children played games and enjoyed refreshments.

Fireman apprentice Dan Runyard returned to duty at Great Lakes on Jan. 4, after spending two weeks at the home of his parents, Mr. and Mrs. Tom Runyard.

Mr. and Mrs. Frank Hennig, Lake avenue, spent several days of the Christmas holidays at the homes of their daughters, Mrs. Olive Hazeltine and Mrs. Beronice Moschel of Chicago. They went down to the Loop to view the Christmas decorations and had dinner on Christmas day with the Moschels.

Donald Eckert celebrated his third birthday on Dec. 28.

Tommy Hucker was host to several of his young friends at a holiday party on Dec. 30 at the home of his parents, Mr. and Mrs. Ted Hucker.

His guests included Nancy Lindblad, Mary Jo Runyard, Norma Heimbrodt, Sharon Zerr, Cheryl Ptack, Mary Dahlman, Caroline Lasco, Janice Serchon, Albert Gruidl, Bill Serchon, Roger Eberman, Jerry Kubicki, Mike Roepenack, Denny Heimbrodt and Tim Hucker.

The young people danced and played games, and barbecue sandwiches were served.

A meeting of all those assisting in taking a census for the school board was held at the Channel Lake school on Jan. 4, to acquaint the workers with their duties.

The executive meeting of the officers of the PTA will be held at the home of Kay Lasco on Monday, Jan. 11.

Cemetery Group Annual Session Set for Jan. 11

By Mrs. Frank Edwards
Millburn Correspondent

MILLBURN—The annual meeting of the Millburn Cemetery association will be held at 2 p.m. Monday, Jan. 11, at the home of Gordon Bonner, officers announced this week.

Regular services are scheduled at Millburn Congregational church Sunday, Jan. 10, Sunday school and church services will be at 10 a.m.

The Devotional Study group will meet Thursday, Jan. 14 at 9 a.m. at the home of Mrs. Harley Clark.

A cafeteria dinner will be served Thursday, Jan. 7, by the Millburn Ladies Aid at 12 noon. Chairman of the dinner is Mrs. Milton Bauman. Installation of officers and devotions by Rev. L. H. Messersmith and the business meeting in the church parlor at 1:30 p.m.

Ensign Samuel W. Bailey of Yorktown, Va., Naval Base, spent the holidays with his parents, Mr. and Mrs. Samuel W. Bailey. Ensign Bailey left Jan. 2 for Cincinnati, Ohio, to spend a few days with his sister and family, Mr. and Mrs. Philip Darr, before returning to Yorktown.

Lt. Col. and Mrs. L. K. Watson and children of Granite City, Ill., and Mr. and Mrs. Elliot Gott of Waukegan spent Christmas eve at the home of Mrs. Lyman Bonner.

Mr. and Mrs. William Paulsen and family spent Saturday at the home of Mr. and Mrs. Edward Bliss at Bellewood.

Mrs. Addie Lucas of Wadsworth visited Christmas day at the home of Mr. and Mrs. Charles Lucas.

Mr. and Mrs. Howard Petty and daughters of Urbana and Mr. and Mrs. Vernon Stahnke and daughters of Arlington Heights were dinner guests at the Leslie Bonner home Christmas day. Mrs. Petty and daughters stayed for the weekend.

Miss Judy Paulsen of Evanston is

SECOND PRIZE in the Christmas home decorating contest sponsored by the Women of the Moose and the Moose lodge of Antioch went to this scene at the Lewis Van Patten home at 515 Naber in Antioch. The Santa Claus, sleigh, reindeer and the like in the foreground are set off nicely by the house in the background. Strings of colored lights also are used in the setting. Spotlights are used to light the figures, causing shadows on the house. Judges were not members of the Moose lodge or the Women of the Moose. (Antioch News Photo)

THIRD PRIZE in the Christmas home decorations contest held in and near Antioch during the last couple of weeks, went to the Walker Lyons home at 483 Windsor drive, Antioch. Judges indicated the primary reason for this being chosen among the best was the painting in the window (shown here) done by Mrs. Lyons. There are also colored lights outdoors. The contest was sponsored by the Antioch Moose Lodge and the Women of the Moose. Lights in back of the painted window add much to the scene. Mrs. Lyons received her design idea from a picture in a newspaper. (Antioch News Photo)

Awards Presented, Party Enjoyed At Channel Lake Cub Scout Meet

By Mrs. Pearl Kapell

CHANNEL LAKE—The meeting of the Cub Scouts of Pack 86, originally scheduled for Dec. 18, was held in the Channel Lake school house on Dec. 30.

Mark and Bruce McKinney, sons of Mr. and Mrs. Lee McKinney, received their Bobcat pins. Wolf badges were awarded to Joe Chuffo and Tom Runyard by Cub Scoutmaster John Eckert.

Golden arrows were awarded John Bjork, Mike Bolton, Douglas Runyard and Tom Runyard.

Mike Bolton also received a silver arrow, becoming the first boy in Pack 86 to receive this honor.

Because of this honor flag, which usually goes to the den having the most parents present at the pack meeting, was awarded to

spending the holidays with her parents, Mr. and Mrs. William Paulsen.

Mr. and Mrs. Oscar Neahous enjoyed Christmas with their daughter and family, Mr. and Mrs. Al Baumgart at Union Grove.

Mr. and Mrs. Milton Bauman and daughters, Mr. and Mrs. Kenneth Denman and sons, Mr. and Mrs. Eric Anderson and daughter and Mrs. Anna Bauman spent Christmas eve with Dr. and Mrs. William Bauman at Barrington.

Mrs. Lyman Bonner and daughter visited Christmas day at the Leo Stanczak home in Waukegan.

Mr. and Mrs. Robert Denman and children, Mr. and Mrs. Kenneth Denman and sons, Mr. and Mrs. Milton Bauman and daughters, Mrs. Bertha Newman of Waukegan and Mr. and Mrs. Earl Cain and family of Mundelein were dinner guests of Mr. and Mrs. Frank DeYoung, Christmas day.

Mr. and Mrs. Samuel Bailey spent the holidays with their relatives, Mr. and Mrs. Fred Dillenburg and Mr. and Mrs. John Smith and family of Chicago.

Mrs. Frank Edwards and Mrs. J. Kaluf spent New Year's day at the John Edwards home in Libertyville.

Mr. and Mrs. Samuel Bailey visited New Year's day with relatives at Wheaton, Ill.

Mike's den (den 2) for this month. Cub Scoutmaster John Eckert reminded those present that 1960 marks the 50th anniversary of Scouting in America.

He urged all who could to attend the scoutarama, to be held Feb. 13 at the Lake county fairgrounds.

This all-day event will be participated in by all the Scout groups in the Northwest district.

The Round Table was held at Wauconda, at the Grade school on Osage street, on Jan. 6.

Four of the Cub Scouts from Pack 86—Paul Luloff, Guy Trussell, Allen Kriesant and Kevin McCarthy—presented the colors to open the meeting, and the Boy Scouts of Troop 86 retired the colors.

Eckert announced that Philip Bergdorf had volunteered to fill the position of assistant Cub scoutmaster.

Mrs. Philip Bergdorf volunteered to become a den mother. Several more den mothers are needed.

This meeting originally was intended as a combination pack meeting and Christmas celebration.

Belated Christmas gifts were presented to Vern Heath and Den Mothers Barbara Bjork, Margaret Runyard and Lorraine Lemke, for their work in behalf of the boys.

Bags of candy and small gifts were also presented to all the children present.

Refreshments of Christmas cookies, coffee and milk were served by the mothers of Den 2 at the close of the meeting.

The next Cub committee meeting will be held on an. 22 and the next pack meeting will be on Jan. 29.

Library Adds More Books

Many fine books have been added recently to the shelves of the Antioch Township library as memorial books.

J. B. Phillips' translation of the New Testament will be of great interest to students of the Bible.

The use of modern English clarifies many points that were obscure in the archaic English used in the King James version.

"The New Testament in Modern English" was given in memory of Mrs. J. Ernest Brook.

Alfred Colombo provided the explanatory text on classic painting and Gaston Diehl wrote about modern painting in the "Treasury of World Painting" which was given in memory of Dean Williams.

The main feature of the beautiful book is the lavish use of color in the reproductions of 215 paintings from private collections and museums all over the world.

Mrs. Edith Deen has provided an excellent companion volume to her "All the Women of the Bible" in her new book, "Great Women of the Christian Faith."

This collection of sympathetic biographies, which prove the "weaker sex" to be strong in faith, was presented in memory of Mrs. Louise Gill.

"Favorite Fairy Tales Told in England," retold by Virginia Haviland, has been added to the collection of children's books in memory of Mrs. F. G. Kramer.

This book contains such old favorites as "Jack and the Beanstalk" and "Dick Whittington."

"A Practical Guide for Horse Owners," by Jack Widmer, was given in memory of Harry Bristol. This informative book discusses breeds and types, training, feeding and emergency first aid.

Sen. Robert McClory

Senator McClory Is a Candidate For Re-Election

LAKE BLUFF — State Senator Robert McClory, Republican of Lake Bluff, has announced his candidacy for renomination in the April Republican primary.

A life-long Republican, Senator McClory worked originally as a Young Republican, serving as chairman of the Lake Bluff Young Republican organization and as chairman of the Lake County Federation of Young Republicans.

Later, Senator McClory served as a Republican precinct committee-man for Shields township and on the executive committee of the Lake County Republican central committee.

In 1950 Senator McClory upset the incumbent representatives in his nomination and election as representative in the general assembly.

Following the retirement of State Senator Ray Paddock of Wauconda, Senator McClory ran for this post and was elected with a large majority against strong opposition from Waukegan and other parts of Lake county.

HE WAS re-elected in 1956 with the largest Republican majority of any downstate member of the state senate.

Senator McClory has been identified closely with the administration legislative programs of Republican Governor William G. Stratton and Secretary of State Charles F. Carpenter.

He is the author of the amendment raising the minimum driving age to 16 years and co-sponsored much of

the recent highway safety legislation.

As chairman of the committee on highways and traffic regulations, Senator McClory also is identified with the legislation establishing maximum highway speeds and providing for more adequate patrolling of state highways by the state highway police.

A proponent of legislative reapportionment, Senator McClory served on the subcommittee to redistrict the state into new senatorial and representative districts, resulting in establishing Lake county as a single representative district.

According to the senator, reapportionment has destroyed the effectiveness of the so-called West-Side Bloc, a bipartisan group which held a balance of power in the Illinois general assembly for many years.

SENATOR MCCLORY is the first legislator from this district to serve on the important Illinois legislative council which studies and formulates much of the important legislation prior to the opening of each legislative session.

He is vice chairman of the judicial advisory council.

As a member of this body he assisted in the drafting of the court administrator bill and the new justice of the peace legislation hailed as the greatest steps in court reform in Illinois history.

A proponent of modern zoning

and planning legislation, he has been a member, since 1955, of the Northeastern Illinois local area service commission (Randolph commission).

This body which is representative of the counties in Northeastern Illinois planning commission and is responsible for much legislation to enable establishment of area-wide water, sewer and drainage services.

Senator McClory was sponsor of the Waukegan port district legislation relating to regulation and control of house trailers and trailer camps.

He is a member of the key committee on committees which designates the senate membership of all committees and commissions. He also participates in first-term programs for indoctrination of new members of the general assembly.

Sequoits Play Here Friday

2 Tough Games Are Expected Over Weekend

Coach Larry Leon of the Antioch high school Sequoits Tuesday fore-saw a tough battle when his basketball team clashes with Round Lake high in a Northwest Suburban conference game on the local floor Friday evening.

The league is nearing its first round of competition in the 1959-60 season and the Sequoits and Warren high are still tied for first place each with four victories and no defeats.

Warren high of Gurnee is scheduled to play Grant next Friday night.

Leon recalled that in the Fenton holiday tournament last week, Round Lake soundly trounced Elaverton in the consolation bracket title game.

The Round Lakers have a conference record of 2 wins, and as many defeats.

However, all five starters are scoring threats, Leon said. It will be the first meeting between the two basketball teams this season.

Saturday night the Sequoits travel to McHenry for a non-conference game.

The B squad contest starting at 7 o'clock both evenings will precede the varsity clash scheduled for 8:30.

Coach Leon hopes that his charges can keep up the pace it followed in the game against Batavia in the finals of the Batavia tournament last weekend. The Sequoits rallied for 40 points in the second half to pull out a victory.

Basketball Notes

Antioch high's basketball team was ranked ninth among 16 high school teams in the Chicago area by the Chicago Sun-Times this week with a 11 wins and one defeat record.

None of the Sequoits' foes was ranked higher than 9th, while Warren high of Gurnee which is tied with Antioch for first place in the Northwest Suburban conference standings, received honorable mention.

Commenting on this, coach Larry Leon of Antioch said the boys deserve such ranking for they have been working hard.

Leon said he was "really surprised" at the way the Sequoit team played in the Batavia tourney because he said he wasn't sure they could bounce back after losing their first defeat of the season to Prospect. "Adversity didn't phase them one bit," he commented.

"You can measure a man's height but not his heart or desire. Batavia

TROPHY PRESENTED. Shown here are captain Dick Wolf (left) and coach Larry Leon of the Antioch high school Sequoits basketball team as they accepted the second place trophy from Frank Novatny (right) after AHS placed second in the Fenton holiday tournament at Bensenville last week. ATHS Loses To Prospect, Places 2nd

BENSENVILLE — Antioch high's Sequoits playing what was probably their poorest game of the 1959-60 season, lost to Prospect high 73-49 in the finals of the championship round of the Fenton prep holiday basketball tourney.

The Sequoits thereby placed second and Prospect first in the tournament.

The Antioch youths were "cold" throughout the game from a point-making standpoint while the Prospect Knights, an all-junior aggregation, seldom missed.

It was the Sequoits' first defeat in 10 games this season and the ninth straight victory for Prospect.

Prospect was on top 17-11 at the first quarter mark, 42-20 at the half and 63-35 when the third period buzzer sounded. Only in the first quarter was the score at all close.

The Sequoits did out-bound their foes 46-36 but the Knights had the definite edge in shooting with 28 buckets in 66 shots for a 42.4 percentage as compared to Antioch's 15 in 55 for 27.3.

The former Grant high basketball ace, George Pomey, gave the Sequoits plenty of trouble around the pivot post.

Bob Martin and Don Pyles with 17 and 11 points respectively led Antioch against Prospect.

Antioch won the semi-final round game for the right to meet Prospect by downing Elmhurst Park 54-47, as Jerry Dahlman led with 22 points.

Round Lake toppled Elaverton 82-64 in the consolation round championship game last Wednesday evening.

had more height but Antioch had more desire. The Sequoits wanted to win more than Batavia did."

The local coach called the game the finest all-around contest his youths have played thus far. There was plenty of teamwork, a sound defense and it had to be because Batavia was a good basketball team.

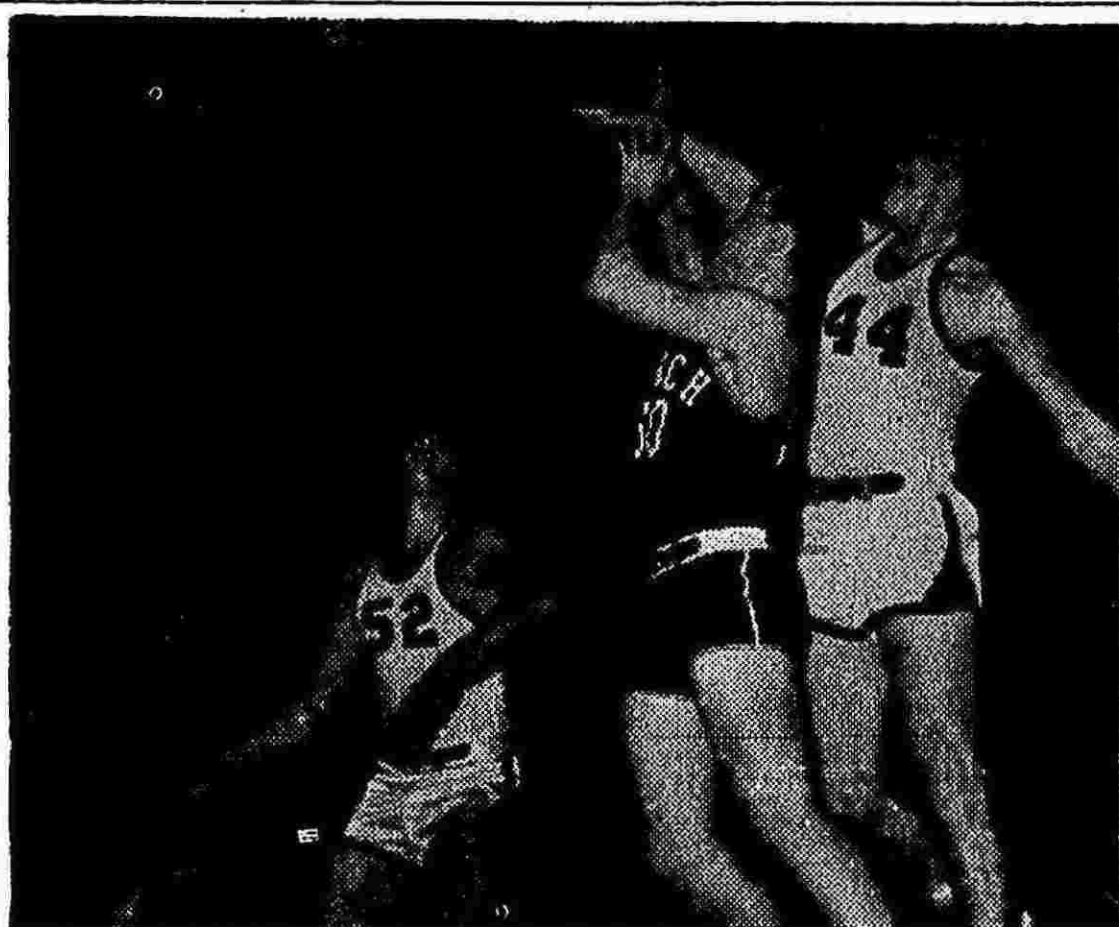

Batavia had lost more games than the Sequoits this season, but it had done so to some of the best in Illinois, and then by only one or two points.

The Fenton tournament was a tough grind for high school or college boys to play with games on three successive nights. The Sequoits were tired by the time the Prospect game started.

Prospect had played the previous Saturday and Tuesday before Wednesday, while Antioch saw action on three nights in a row, Monday, Tuesday and Wednesday, Leon recalled.

Prospect defeated Lake Park and Glenbrook in the opening games without much trouble, while the Sequoits had their hands full.

Any wiper blade that streaks or smears the windshield should be replaced unless the wiper arm can be adjusted to supply sufficient pressure, for a clean, clear wipe.

DON PYLES, (in dark shirt at right) is shown as he attempted a basket in the game with Prospect high last week in the championship round finals of the Fenton high holiday tournament at Bensenville. No. 52 in dark shirt at far left is Antioch's Bob Martin, a kingpin in scoring for the local team. No. 52 in the white shirt at right for Prospect is Bill Zadel and No. 44 at left for Prospect is George Pomey, former Grant high standout. (Antioch News photo)

ATHS Wins 1st Spot In Batavia Tourney

Antioch high's basketball team "bounced back" from a loss in the Fenton holiday tournament a few days earlier to win the Batavia-Antioch 4-team tourney last weekend.

The Sequoits outscored their foes in the first and third quarters and equaled their opponents' point-making in the final stanza to defeat Batavia 58-50 in the final at Batavia last Saturday evening.

Friday night in the first round, Antioch scored 40 points in the second half to 29 for Mooseheart to help win for the Sequoits 62-52.

Against Batavia the boys coached by Larry Leon made 20 out of 55 field goal attempts for .364 and sunk 18 out of 25 free throws for .720 percentage.

This compared to 20 out of 51 and .392 percentage and 10 out of 18 for 55.6 for Batavia.

Antioch also out-rebounded its opponent, pulling in 13 on offense and 22 on defense for a total of 35 compared to 13 and 17 and a total of 30 for the home team Saturday.

Don Pyles and Jerry Dahlman with 18 and 23 points respectively led the Sequoits against Batavia, seven of those by Dahlman and four by Pyles coming from the free throw line.

Friday evening on the Antioch floor in the same tournament, the Sequoits tallied 11 points each in the first two quarters and were behind 23-22 at the halftime pause.

But the Larry Leon-coached youths rallied mightily in the last two periods to pour in 22 points in the third stanza and 18 in the fourth for a relatively easy victory.

Mooseheart outscored them in the fourth quarter when Leon inserted some of his reserves in the final minute or two.

Pyles contributed nine free throws and seven field goals for a total of 23 points to pace Antioch. Bob Martin was next with four charity tosses and seven field goals for 18 points.

Antioch had a slight edge statistically speaking on field goal attempts tried and made and the same for free throws.

But the Sequoits outjumped their foes by a big margin, pulling in 30 rebounds on defense and as many on offense for a big 60 total. Mooseheart was credited with nine on offense and 15 on defense for a 24 total.

Elaverton defeated Mooseheart 70-56 Saturday evening for third place in the Batavia tourney. Batavia had edged Elaverton 68-62 in the opening round at Antioch Friday night.

Next week Wednesday evening the Scouts are scheduled to play Posner's.

Top Chicago Team to Bowl Games Against Antioch Stars on Jan. 17

One of the top classic league bowling teams in Chicago will meet five leading keggers from Antioch Bowl in a match game Sunday afternoon, Jan. 17, starting at 12:30 in the local bowling alleys.

Not only will bowling fans "benefit" from seeing some top keggers do their stuff, but the March of Dimes campaign will benefit. Those watching will have an opportunity to contribute to the campaign.

Representing Antioch will be an all-star five from the local Major bowling league.

They will include, as of this writing, Joe Sterbenz, Jr., with a 197 average, Vern Baker 196, Larry Dee 196, Marv Shepard 196 and Mike Badame 195.

The Chicago team known as the

Old Fitzgerald-Cabin Still Bourbon of the Classic league holds many team and individual bowling records.

It has won the Divito classic league the Vogel league and the Rocky Sarvo league honors. The team also has won the Pontiac, Ill., singles title and finished second in the ABC in 1958.

The Chicagoans placed third in both divisions of the Chicago classic league competition. They have a team average of 1002.

Members are Otto Mehus, captain; Joe Simonis, Lou Cioffi, Bill Weise and Ed Brosius. The latter is a newcomer to the team and is said to be one of the best bowlers in Chicago in the last decade.

4 Winners in Children's Bowling Tournament Are Announced Here

Ernest Westlund, Rusty Camillo, Jill Thompson and Linda Ripley placed tops in the Christmas bowling tournament sponsored by the Antioch News for boys and girls of this area at the Antioch Bowl.

Westlund with 325 and Camillo who had a total of 320 were top in the boys division. Bowling in the girls division, Thompson rolled 324 and Ripley 307 to lead that group.

A trophy will be presented to each of the top four at a ceremony in the local alleys this week Saturday afternoon. Mrs. Margaret E. Gaston, publisher of the Antioch News, will make the presentations.

Scores rolled by the other boys, including their handicaps, included:

Bob Lenowski with 313, Fred Koch 300, Richard Ripley 300, Bob Mozal 297, Dale Crandall 286, Bob Eulich 295, Ed Fox 294, Ray Westhoff 284, Leslie Miller 282, Ed Thayer 271, John Westhoff 271,

Mickey Hawkins 265.

John Olisar 264, Stormy Grumbeck 263, Gary Samborski 262, Fred Wittleder 258, Tim Hucker 257, Ray Nosko 257, Jim Grumbeck 256, Joe Badame 251, Russell Schroeder 251.

Terry Harrison 245, Rodney Miller 241, Tom Hucker 240, Tom Anderson 238, Bob Grumbeck 239, Dennis Rockow 224, Bob Westhoff 222, Dick Palmer 221, John Horton 218, Frank Roblin 211 and Steven Elliott 210.

Other girls besides the winners bowling and their scores were Joann Boltch 286, Susan Ellis 286, Lynn Fox 272, Carol Bolton 269, Barbara Casella 269, Robin Holm 269, Joan Lindblad 251, Leone Nelson 249, Diane Hedlund 244, Dolores Anderson 243, and Carol Gilio 232.

Men Bowlers Eye Tourney Here in Feb.

The 15th annual men's singles bowling tournament sponsored by Antioch Bowl will be held Saturday and Sunday, Feb. 20 and 21 and Feb. 27 and 28 and the afternoons of Feb. 19 and 26 (Fridays) at the local alleys.

A prize list totaling \$4,000, including a \$500 estimated first prize and a \$300 estimated second prize is being offered.

There also are special prizes for both weekends for high handicap series, high actual series, high actual games, second high actual series, third high actual series and high actual series of the tournament.

The estimated prize list is based on 1629 entries or \$4,642.65 in prizes. If more entries, the prize list will be extended and if less the prizes will be pro-rated. At least one out of every 10 entries will collect.

Starting times will be at 9 a. m. Saturdays and Sundays and on week days at noon. Squads of 4 men will roll every 20 minutes, bowling 3 games across 6 alleys and drawing for alleys.

Joe Sterbenz, Jr. is tournament secretary and entries may be filed with him or with Jack Sampayo and Mike Schamberger, proprietors of the Antioch Bowl.

It will be an ABC sanctioned tournament, approved by the Northwest Bowling Proprietors' association.
